

## JEANFIELD SWIFTS F.C

Sector: Leisure

Location: Bute Drive, Perth

Service: Quantity Surveying and CDM Coordination

Description: Construction of new football pavilion to provide changing facilities, treatment room, committee room, players' lounge, kitchen, servery and storage room for local junior football club. Additional changing facilities were also constructed for use by public.

Works comprise insulated concrete floor slab, Fyfestone textured blockwork external lead and finished face inner leaf, and metal profiled sheeting to roof with sunpipes and aluminium rainwater goods.

Internally fully decorated throughout, with shower areas fully tiled, changing areas tiled floors, other rooms finished with carpet or vinyl. Kitchen and servery fully fitted out.

Construction Cost: £850,000.00
